To whom it may concern

Cassatt Drywall along with American Family, Pat and JP Haffarnan agency, both located in the Quad Cities, are hosting our annual Vettes on the River "All Corvette" car show which will be held this year on Saturday, August 26th on the Le Claire, IA levee. This year we will again be raising donations to support our local Veterans located in the Quad Cities. In order to ensure the success of this very important cause, we are seeking contributions to help defray the costs associated with the event, so that all funds raised can go directly toward our local veterans.

Generous contributors like you are the key to our success and make it possible for our organization to provide local veterans and their families with much needed assistance and critical services. We hope that we can count on your support to help us. We are a non-profit organization and your donation is tax deductible. On request, we would be happy to supply you with a receipt detailing your donation for tax purposes. We are seeking donations of \$100 - \$1,000 dollars, but any donation amount will be appreciated. We will also accept gift items that we can use in our raffle and silent auction activities.

Your company name will be listed in our event program, and signage which will be located at the entrance of the event. Please contact me at 563-210-5754 if your company wishes to pledge support. We thank you for your time and consideration.
